Eric, Chip,

(b) (6) I have decided to distribute an LWG conference call number for use at the 9/8 RAOs meeting. I hope that you are ok with this decision. I have three LWG attendees participating by phone: Bill Locke, Nanci Klinger and Jan Betz.

**Non-Responsive**

LWG members attending in person will have the dial in host information to initiate the call at the beginning of the meeting.

Please let me know if you have any questions.

I have reserved two adjoining conference rooms - the Pend Oreille and the Quinault rooms. Each room holds 12 people and can be combined into one room that should be adequate for our purposes.

The conference rooms are located on the 15th floor of the EPA regional office building located at 1200 Sixth Avenue in Seattle (Sixth and Seneca)

I have scheduled the meeting between 1:00 and 4:00 PM.

I have no preference on the phone. At this time, I do not anticipate

anyone from EPA calling in. It is unclear whether we will have participation from the state and/or trustees.

Can you send me the list of anticipated attendees?

Let me know if you have any other questions.

Thanks, Eric

Eric,

Excellent. Thank you.

If I may please get a few pieces of information from you regarding the RAOs meeting I will then send notice to those LWG members who plan to attend.

-What is the address of the meeting location?  
-Does the conference room have a name?  
- Do you want to use an EPA or LWG call in number  
-What time is the meeting scheduled for and how long is it anticipated to last?

I will send an email requesting availability to hold the Portland Harbor Managers meeting on the afternoon of 9/16. I will let you know what I find out.

Thank you,  
Jen Woronets :)

I have confirmed attendees and booked a room in our Seattle office for the afternoon of the 8th to discuss the RAOs. My preference is to have the schedule meeting on the 9th. We will be traveling on the morning of the 8th. If the 9th will not work, we should book the afternoon of September 16th.

Eric,

Thank you for the information. Where does EPA want to hold the RAOs meeting on the afternoon of September 8th, Seattle or Portland?

The NRDA meeting is scheduled from 1 pm in Portland on the 9th. This would mean that Erin Madden and the Five Tribes would not be able to attend the Portland Harbor Managers meeting. I would need to follow up with the LWG Management Team to see if any of them plan to attend the NRDA meeting as well. I believe that Erin and the Tribes would like to be involved in the schedule conversation.

Is it possible to hold the Portland Harbor meeting and schedule conversation the morning of September 8th?

Thank you,  
Jen Woronets :)

Jennifer, I am still working to confirm availability, however our preference is to have the RAO meeting on the afternoon of September 8th and use the regularly scheduled management meeting (afternoon of September 9th) to discuss the project schedule. This also allows us to keep our regularly scheduled TCT meeting. The unknown is all this for me is the NRDA meeting also scheduled for September 9th.
